PS, I think that may also be the parting discussion (grab) we had with the stay behind group that took the samples on Sunday. Although that was kind of a blur for me.

Raj,

Spoke with Kelli, they followed the QAAP which called for grabs. Is there an issue, do we need to take additional 24hr samples?

Raj,

Not sure why grab, as opposed to 24 hour, I was not there. Are you referring to the clearance samples taken on Sunday?
